MULTIPLE PAYMENT RECEIPT FORM

The Office of the Treasurer requests that this form be completed for in person transactions where more than five (5) parcels will be paid. If there is a line longer than five (5) minutes, please bring the completed form with your payment and remittance stubs to any of the cashiers. They will then review the form and back-up, stamp the form with the date the payment was received and initial the form. No other payment receipt will be provided.

However, the online payment option at ocgov.com/octaxbill has a shopping cart function for up to 50 parcels and will be able to provide you with a receipt for each parcel paid. You will receive same day credit, just like making an in person payment and this receipt is as valid as the receipt received in person and can be printed or emailed to you. You will only have to input your payment information (bank account or credit card) once. There is no additional cost for online payments made by eCheck using your bank account, there is a 2.3% convenience fee (minimum charge of \$3.95) for credit/debit card payments. To make a payment using the cart function, go to ocgov.com/octaxbill.
